THIRD QUARTER MISSION PROJECT – SUPPORT FOR OUR TROOPS AND VETERANS: This quarter's mission focus is to support our troops. One way we are going to do this is through the Valentines for Veterans

Program. We will make cards showing our Christian love towards those who serve and have served our country. Each student will make a valentine and accompany that card with \$1. If you would like to help support this effort, **PLEASE SEND \$1/more with the label "Valentines for Veterans" by Friday, January 25th.** <https://soldiersangels.org/ValentinesforVeterans.html>

Furthermore, our mission offerings will go to support the WELS Commission on Special Ministries Military Services. The WELS Military Services Committee provides spiritual services to WELS members and others who serve in the United States Armed Forces, including those in the National Guard and the Reserves.

MAKE A CHANGE FAIR: On Thursday, February 21st at 6:30 PM our school will be participating in a Fair that explores ways our students can impact the world in which they live. The projects are not focused on Science or Social Studies specifically, instead they will involve a variety and combination of classes. We are looking to the sustainable goals for 2030 as guidance. There are 17 goals to improve the world as we know it. We understand that due to sin in the world we could never fix all issues completely, instead by following God's desire for us to care for each other and the earth we can work to improve the conditions for the future. These projects will have students study, investigate, problem solve, plan, collaborate, and experiment, all while using their best abilities to learn how to have a positive impact. Who knows, they may come up with something that will affect the whole world, or at least our school community. If you are interested in learning more, you can visit: <http://worldslargestlesson.globalgoals.org/>
