THIRD QUARTER MISSION PROJECT - Our third quarter mission project will be a part of WLHS's Our Hands For His Service, focusing on the Malawi Disability Project. This program offers basic physical therapy, assists families' education, and creates accepting communities. Over 1,000 people with special needs are served by this program. This program provides specialized worship services for those who have special needs, so that they can hear the Gospel in their own way. Their education is impacted by individualized strategies and support for the family so that they know how to impact others. WLHS is hoping to raise \$12,000 for one vehicle for caretakers, so they can reach more patients in the central area.
