WINTER WEATHER CLOSINGS: For any snow closings, please watch for St. Paul's – Franklin on the local news channels. We will also post the closing on Facebook and our website, and will send an e-mail to all families. We do not follow the Franklin School District, or Wisconsin Lutheran High School. Please note, typically we do not close for cold days, but will make a decision by the end of school day today for the severe cold that is forecasted for tomorrow.

HOT LUNCH UPDATE: If you ordered hot lunch for yesterday, you will receive a credit when the March menu comes out. If we do miss a day of hot lunch, the menu continues on as normal – we do not switch menu days.

THANK YOU: Thank you to all of the families that brought their children to sing on Sunday for our Christian Education service.

REPORT CARDS: If you have not turned in the report card signature form, please do so as soon as possible. Forms should be returned to the office.

CHAPEL THIS WEEK: This week's Chapel service will be Thursday at 8:30 AM. Parents are always welcome to attend!

NO SCHOOL: Reminder that there is no school this week Friday, February 1st for a Teacher Inservice day.

1ST GRADE TEACHER CALL: The St. Paul's Voters Assembly extended a call to Miss Rachel Petermann who is currently teaching 3rd & 4th grade at Trinity Lutheran School in Kiel, Wisconsin. We have called her to teach 1st grade, direct Junior Choir and as an organist. Please keep her in your prayers as she deliberates the two calls and where best to use her God-given talents.

VOLUNTEERS AND SUPPORT NEEDED: St. Paul's Hornets Classic Basketball Tournament begins this Thursday and continues Saturday and Sunday. Come to watch games, eat some food, and enter raffles this weekend at St. Paul's! We have some great raffles and fun contests. We are also in great need of more volunteers to help make this a successful event. Consider supporting St. Paul's Athletics by volunteering. Check out the following link. Thank you! <https://www.signupgenius.com/go/10c0e4aada92ba0ff2-stpauls1>

BASKETBALL PARENTS NIGHT: Calling all basketball parents! Please join us on Friday, February 15th for our annual Basketball Parents Night! Boys C team will play at 5:00 PM, Boys B at 6:00 PM and Boys A at 7:00 PM. These are the parents vs. kids games -- aunts, uncles, guardians, etc can play if parents are unable or don't want to play. See you there!

ST. PAUL'S 2019 BOOK FAIR: The Book Fair is coming! Please plan to come see the vast selection of new and favorite preschool through adult books, posters, gifts and craft items! The Book Fair will be open before, during and after school, February 18th, 19th, 20th and 21st with the Make a Change Fair. All proceeds benefit the St. Paul's School, with new books that are used for classroom novel sets, classroom libraries, student

guided reading lessons and the St. Paul's School Library. A coin drive challenge will also be held to collect spare change for new books. The Kindergarten and First grade classes have been the past challenge winners, who will it be this year? Another huge way to support the 2019 book fair is to volunteer, no experience needed, to keep the book fair open for extended hours. Your help would be greatly appreciated, with your gift of time, making a big difference to the book fair success! **Please stop in the office to sign up!** Looking forward to seeing you at the 2019 St. Paul's Scholastic Book Fair!

YEARBOOK PHOTOS: It's time to start putting the yearbook together! We want the yearbook to represent all of our students, faculty and staff! In order to do that we need your help, send us your photos of any St. Paul's activity, events, sports, field trips, or just day to day photos! The more the better! Please email them to spfyearbookphotos@stpaulsfranklin.org. You can also share your photos from a cloud server (google photos, Dropbox, etc) by sharing them with the same email address.

SCHOOL POSITION AVAILABLE – HOT LUNCH COORDINATOR: After many years of running (and revamping!) our Hot Lunch program, Jaime Petricek has decided to pass the torch. The Hot Lunch Coordinator works roughly 15-20 hours per month and is responsible for organizing lunch for up to 100 students. Duties include: menu planning/food budgeting, volunteer scheduling, grocery shopping (1-2 times per week) and student order processing. This is a compensated position of \$10.00/hour. We will be accepting applications until February 1st. If you are interested, please call or text Jaime at (414) 238-5122.

2019-2020 SCHOOL YEAR REGISTRATION: Families in K5-Grade 7, watch for an e-mail from TADS in the next few weeks to re-enroll for next school year! 4K families interested in signing up for Kindergarten next year, please stop in the office for a short form to fill out to get you started.

THIRD QUARTER MISSION PROJECT – SUPPORT FOR OUR TROOPS AND VETERANS: This quarter's mission focus is to support our troops. One way we are going to do this is through the Valentines for Veterans Program. We will make cards showing our Christian love towards those who serve and have served our country. Furthermore, our mission offerings will go to support the WELS Commission on Special Ministries Military Services. The WELS Military Services Committee provides spiritual services to WELS members and others who serve in the United States Armed Forces, including those in the National Guard and the Reserves. <https://wels.net/serving-you/christian-life/special-ministries/military-services/>

MAKE A CHANGE FAIR: On Thursday, February 21st at 6:30 PM our school will be participating in a Fair that explores ways our students can impact the world in which they live. The projects are not focused on Science or Social Studies specifically, instead they will involve a variety and combination of classes. We are looking to the sustainable goals for 2030 as guidance. There are 17 goals to improve the world as we know it. We understand that due to sin in the world we could never fix all issues completely, instead by following God's desire for us to care for each other and the earth we can work to improve the conditions for the future. These projects will have students study, investigate, problem solve, plan, collaborate, and experiment, all while using their best abilities to learn how to have a positive impact. Who knows, they may come up with something that will affect the whole world, or at least our school community. If you are interested in learning more, you can visit: <http://worldlargestlesson.globalgoals.org/>
