We are setting up the gym like a science fair. Students and families will move freely between stations. We need at least one or two adults at each station to run an activity. All activities are prepared ahead of time and directions will be laid out clearly for all volunteers. The only expectation will be to arrive at 5:30pm, Thursday, February 23rd (30 min prior to the event) and be ready to have some fun with kids and STEM! To thank you, volunteers will receive dinner a free t-shirt! If you are interested in helping, please talk to Mrs. Manske!

WINTER WEATHER CLOSINGS: For any snow closings, please watch for St. Paul's – Franklin on the local news stations. We will also announce closings via phone/text through TADS Educate, on our Facebook page and website. We do not follow the Franklin School District, or Wisconsin Lutheran High School. Please note that we do not close for cold weather, as we have no students waiting at bus stops.

THIRD QUARTER MISSION PROJECT: For our 3rd Quarter Mission project we will be partnering with WLHS for their Our Hands For His Service project which is to support both the renovation of the Central Africa Medical Mission and the expansion of the Thai Village. The Central Africa Medical Mission is a pair of 24-hour clinics in Zambia and Malawi that primarily treat children and expectant women. They serve close to 80,000 patients every year. By serving the physical needs of people in Central Africa, these clinics also have the opportunity to reach out with the gospel with daily devotions. Of the money they raise, they plan to use \$10,000 for the clinic in Mwembeshi, Zambia, to repair the main nurse's home and to build a new women's shelter. The second mission location, Thai Village, is an organization in Chiang Mai, Thailand, that provides education and job opportunities to people in the community who are vulnerable or struggling. Thai Village uses their support for the community as an opportunity to share the gospel.
