STEM NIGHT VOLUNTEERS NEEDED: In order for our STEM Night to be a success, we need your help! STEM Night encourages hands-on learning while integrating science, technology, engineering, and mathematics. We are looking for ways to get our church and school families involved! We need volunteers to run stations at this event.

We are setting up the gym like a science fair. Students and families will move freely between stations. We need at least one or two adults at each station to run an activity. All activities are prepared ahead of time and directions will be laid out clearly for all volunteers. The only expectation will be to arrive at 5:30pm, Thursday, February 23rd (30 min prior to the event) and be ready to have some fun with kids and STEM! To thank you, volunteers will receive dinner a free t-shirt! If you are interested in helping, sign up on the posters in the lobby!

STEM SUPPLY DONATIONS: We are in need of some donated [items](#) for our STEM activities. Please put donated items in the bin in the lobby! Thank you in advance!

We will also announce closings via phone/text through TADS Educate, on our Facebook page and website. We do not follow the Franklin School District, or Wisconsin Lutheran High School. Please note that we do not close for cold weather, as we have no students waiting at bus stops.

THIRD QUARTER MISSION PROJECT: For our 3rd Quarter Mission project we will be partnering with WLHS for their Our Hands For His Service project which is to support both the renovation of the Central Africa Medical Mission and the expansion of the Thai Village. The Central Africa Medical Mission is a pair of 24-hour clinics in Zambia and Malawi that primarily treat children and expectant women. They serve close to 80,000 patients every year. By serving the physical needs of people in Central Africa, these clinics also have the opportunity to reach out with the gospel with daily devotions. Of the money they raise, they plan to use \$10,000 for the clinic in Mwembeshi, Zambia, to repair the main nurse's home and to build a new women's shelter. The second mission location, Thai Village, is an organization in Chiang Mai, Thailand, that provides education and job opportunities to people in the community who are vulnerable or struggling. Thai Village uses their support for the community as an opportunity to share the gospel.

WLHS 5TH GRADE EXTRAVAGANZA: Attention all 5th grade students and parents! Wisconsin Lutheran High School is hosting a 5th Grade Extravaganza just for you on Sunday, February 5, from 5:30–7:30 p.m. The evening is free and includes dinner, a fun night of entertainment and prizes!
