FIRST QUARTER MISSION PROJECT - LUTHERANS FOR LIFE: Each quarter we focus on one project for our mission offerings. This quarter's mission focus is to support the *Lutherans for Life* organization. LFL equips Lutherans to be Gospel-motivated voices For Life. They uphold the God-given value of human life and encourage society to do the same. LFL provides resources for expectant mothers, post abortion healing, family living, and much more. Our mission offerings will go to support this mission. In addition to raising weekly funds, we will be hosting a walkathon for school and church October 4th during Parent's Day after chapel. More information will be coming soon--so save the date! Mission envelopes will come home weekly – please check your child's backpack!

CONCESSION HELP: Please help out St. Paul's Athletics by volunteering to work concessions, do the book, or clock. Concession sales are a vital part of our athletic program, allowing us to pay for referees, entrance fees, new uniforms, etc., and we wouldn't be able to run the program without your help! If your child will be participating in Volleyball or Basketball we ask that you work a minimum of 3 hours (anytime during the basketball or volleyball season). If your child is only participating in Cross Country please volunteer a minimum of one hour. Feel free to volunteer more! If you have never helped out in area please give it a try. There will be direction sheets and people to help you out. All concession/scoring slot sign-ups will be done online through Sign-up Genius using the following link:

St. Paul's has joined the Crayola ColorCycle program! The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.
