FIRST QUARTER MISSION PROJECT: NEW BEGINNINGS – A HOME FOR MOTHERS: *New Beginnings – A Home for Mothers*, located in Milwaukee, Wisconsin, provides a loving and supportive place for single mothers to start a new life. This Christian-based residential setting is designed to help new mothers become responsible parents – by raising their new babies in a caring environment. Single mothers are enabled to live away from potentially dangerous or harmful influences and nurture her baby in a positive environment. Currently, *New Beginnings* provides opportunities to advance education, learn fundamental parenting and financial skills, participate in counseling sessions, and acquire an objective baseline for responsible living through a structured faith-based program. Ultimately, our vision is to equip each mother with the skills and education needed to earn self-sustaining wages. Our weekly mission offerings will be supporting this mission and mothers in need. Here's is a quick video if you'd like to learn more about this mission: [New Beginnings Video](#) ***The mission envelope that comes home each week can be used for your offerings! Students should return the envelopes to their classroom mission offering baskets.**
