Single mothers are enabled to live away from potentially dangerous or harmful influences and nurture her baby in a positive environment. Currently, *New Beginnings* provides opportunities to advance education, learn fundamental parenting and financial skills, participate in counseling sessions, and acquire an objective baseline for responsible living through a structured faith-based program. Ultimately, our vision is to equip each mother with the skills and education needed to earn self-sustaining wages. Our weekly mission offerings will be supporting this mission and mothers in need.
