HEALTH NOTE: We are thankful that today, November 9th, is the 51st day of in-person learning here at St. Paul's. The cases of COVID-19 around our area is continually high, and yet we have continued to be blessed. We are regularly working and communicating with the Health Department in Franklin to ensure we are following the proper protocols. Parents, thank you for keeping us up-to-date on any health concerns. We continue to encourage hand washing and keeping students separated as we have done from the start of the school year. Our encouragement to you is to keep it up! Encourage proper hygiene at home and notify us of any health issues that would keep your child from being at school. Don't hesitate to reach out to Mr. Schulmeister with any questions, and if needed he can help with the latest information and guidance for your family.

PARENT/TEACHER CONSULTATIONS: Parent/Teacher Consultations are this Tuesday and Thursday. Please be on time and limit your consultation to 15 minutes. The schedule can be viewed [here](#). Time slots and movement throughout the building will look a little different – if you have not already done so, please take a few minutes to read through the guidelines [here](#).

VETERANS DAY: This Wednesday, November 11th is Veterans Day. Our faculty and students would like to thank all those who have served in our U.S. Military! Please help us honor them by wearing red, white and blue, or camouflage.

WINTER ATHLETICS: After analyzing the winter sports survey results, St. Paul's-Franklin will move forward with A and B boys basketball in interscholastic games. A-Team practice will start this week Wednesday from 6-7:30. Typically practices will be Tuesday and Thursday from 6-7:30. B-Team practices will start next week Tuesday and be Tuesday and Thursdays from 4-5:30.

We are still building a modified schedule for both teams with most/all games expected to be away games. It appears our games will be against different competition as much/all of our conference will not participate this winter.

C-Team girls has a coach and will run a camp format in January or February much like volleyball.

If you would like to attempt to coach a camp-like session with A or B girls or C-boys, please let Mr. Clough know and we can schedule something after the holidays.

THANKSGIVING SERVICE: We will be having only one Thanksgiving service this year, on Wednesday, November 25th at 6:30 PM. The service will be available online Thanksgiving morning, November 26th.

CHILDREN'S CHRISTMAS SERVICE: Unfortunately, we will not be having a Children's Christmas service this year. Our students will be working on a message to share with everyone. Watch for more details soon!

SECOND QUARTER MISSION PROJECT – APACHE MISSION: The Apache Mission celebrated 125 years of God’s blessings in 2018 as the first world mission of WELS. The Apache Mission is located in eastern Arizona on the Fort Apache Reservation and the San Carlos Apache Reservation. Between the two reservations there are eight churches, one preaching station, and two Lutheran elementary schools. The Apache Lutheran churches are currently training future leaders for work as evangelists, teachers, and pastors through the Apache Christian Training School (ACTS) located at the East Fork Mission. Your gift will support theological education through the Apache Christian Training School, outreach to new Native American tribes, property repairs and renovations, and general school and ministry expenses.

JR. VIKING FOOTBALL – GRADES 5-8 BOYS: The Wisconsin Lutheran Jr. Viking Football program is taking registrations for the 2021 fall football season. WLJVF is offering to 5th through 8th grade boys in the greater Milwaukee area the opportunity to play competitive tackle football in a Christian environment. Wisconsin Lutheran High School will offer a 5th, 6th, 7th and 8th grade team. Each team carries a maximum of 30 players. The teams will play an eight (7) game schedule as part of the Classic Youth Football League. More information and the registration form can be found [here](#).
