ST. PAUL'S 2020 BOOK FAIR: We need volunteers to make our book fair a success! Please stop in the office or check the Sign-up Genius to sign up – there are many time slots available! The Book Fair is coming! Please plan to come see the vast selection of new and favorite preschool through adult books, posters, gift, and craft items! The Book Fair will be open before, during and after school, February 17th, 18th, 19th and 20th with the Make a Change Fair. All proceeds benefit St. Paul's School, with new books that are used for classroom novel sets, classroom libraries, student guided reading lessons and the St. Paul's School Library. A coin drive challenge will also be held to collect spare change for new books. Another huge way to support the 2020 book fair is to volunteer, no experience needed, to keep the book fair open for extended hours. Your help would be greatly appreciated, with your gift of time, making a big difference to the book fair success! To volunteer, sign up in the office or by using the sign-up genius:

TASTE OF KINDERGARTEN: Parents who have children entering Kindergarten in the fall of 2020 are invited to attend a special open house on Wednesday, February 19th from 9:00 – 11:00 AM! This is an opportunity for your child to experience a “mini” day of Kindergarten. While the children are having fun in Kindergarten, parents are invited to listen to a small presentation and ask questions about St. Paul’s Lutheran School. If parents are unable to attend, please call or e-mail with questions or set up an appointment time to meet or observe.

MAKE A CHANGE FAIR PRESENTATION BOARDS: Presentation boards for the Make A Change Fair are now available in the office. The cost is \$5.00, which includes the board and the header.

MAKE A CHANGE FAIR: On Thursday, February 20th at 6:30 PM our school will be participating in a Fair that explores ways our students can impact the world in which they live. We are looking to the sustainable goals for 2030 as guidance. There are 17 goals to improve the world as we know it. We understand that due to sin in the world we could never fix all issues completely, instead by following God’s desire for us to care for each other and the earth we can work to improve the conditions for the future. These projects will have students study, investigate, problem solve, plan, collaborate, and experiment, all while using their best abilities to learn how to have a positive impact. Who knows, they may come up with something that will affect the whole world, or at least our school community. If you are interested in learning more, you can visit: <http://worldslargestlesson.globalgoals.org/>

WELS CHRISTIAN AID & RELIEF – UKRAINE: Our 3rd quarter mission project focuses on humanitarian aid in the Ukraine. Funding has been granted to provide food assistance for needy refugees and orphans who have been forced to leave their homes. Additional support in the form of heating fuel helps needy families, especially unchurched in the villages, who cannot heat their homes in the cold seasons of the year. This assistance, which is provided at churches, serves as a good Christian witness to many people and shows the love of God to many in great need.

SIX FLAGS READ TO SUCCEED: Do you like roller coasters and waterparks? You're in luck! Six Flags in Gurnee, IL is again offering FREE park/waterpark tickets to all students in grades K5-6 who complete 360 min. (6 hours) of recreational reading. Please log all reading NO LATER than Thursday, April 9th.
