March 7<sup>th</sup> (Tuesday) Wisco will hold it's annual Math Track competition. We need students to make up a couple teams; all students may come to the practices on Tuesday and Thursday. We are encouraging hands-on learning while integrating science, technology, engineering, and mathematics. We are looking for ways to get our church and school families involved! We need volunteers to run stations at this event. We are setting up the gym like a science fair. Students and families will move freely between stations. We need at least one or two adults at each station to run an activity. All activities are prepared ahead of time and directions will be laid out clearly for all volunteers. The only expectation will be to arrive at 5:30pm, Tuesday, March 21st (30 min prior to the event) and be ready to have some fun with kids and STEM! To thank you, you will receive a free t-shirt and dinner! Please contact Mrs. Rachel Manske with any questions or to sign up for an activity at [rmanske@stpaulsfranklin.org](mailto:rmanske@stpaulsfranklin.org). Sign-up sheets are also located in the school lobby.

**BOX TOPS:** Congratulations to 2nd grade (again) for winning the January Box Tops contest. They brought in 143 (17.9 per student). The 7th and 8th grades were 2nd with 146 (9.1 per student), and Kindergarten was 3rd with 77 (7.7 per student). The total received was 670 and we are now at 3912 for the school year. Continue to turn them in!! Check out the Box Top app for your smart phone. By purchasing the monthly "specials" last week and buying the products and scanning in my receipt, I was able to get an additional 80 cents super easy. If you do this, take a screen shot of the amount you received for the school and send the picture to my phone @ 414-758-6495, I'll add that total to your child's classroom count. Don't forget to tell me what classroom the amount is going to or it won't be counted. THANKS for helping our school! ~Shelley Orłowski
