I CAN HELP: At St. Paul's we are able to help serve families through our school. One of those ways is through our After Care program. We have individuals who care and watch over those children until their parents are able to pick them up. Sometimes things in life come up and we are in need of a "sub" for the 3-6pm After Care. Would you be willing to be contacted, with no obligation to say yes? Please let us know. You must be over 18 and submit to a background check. Please contact the school office or Principal Schulmeister.

VOLUNTEER REQUEST: We are looking for support with lawn care at the Church's cemetery, which is located one block east of 51st and College. Lot size is roughly 2.5 acres and we have shed on site with 1 riding lawnmower and 1 walk behind. Ideally, we are looking for enough volunteers so we can limit your time to once a month. If you are looking to volunteer your time or you just love cutting grass please reach out to Jeff Graetz at 414-748-2656 or email at maintenance@stpaulsfranklin.org.

BASKETBALL CAMPS: The Wisconsin Lutheran College men's basketball program will be hosting their annual Warriors Youth Boys Basketball Camps for Grades 2-10. This is a fantastic opportunity for every level of player looking to improve their basketball skills, in addition to achieving individual and team goals. The camp staff includes the coaching staff and current Warriors players. All sessions will be held inside WLC's Recreation Complex. The camp will provide young boys with the best basketball environment regardless of their level of play. They work with players of all abilities and have a curriculum to fit each individual with a training program, based on their skill level. This camp will feature individual and group activities, as well as time for discussion to advance the understanding of the game. More information can be found at:

THIRD QUARTER MISSION PROJECT – ECUADOR: Our 3rd quarter project focuses on a new mission area, Ecuador. In 2018 two Latin American missionaries located to Quito, Ecuador – Nathan Schulte from Mexico and Philip Strackbein and his wife Kathy, from Bolivia. This mission has been officially incorporated so that the missionaries are able to legally remain in the country for extended amounts of time. The mission team continues to teach classes in various parts of Quito as well as following up on contacts and opportunities to teach in other areas of the country. In addition to your weekly offerings, please pray for our missionaries as they begin to reach out to this new country with the gospel message. With the Lord's blessings and the Holy Spirit at work in the heart of Ecuadorians, we pray that the church-planting movement in Ecuador will bear fruit so more and more Latin Americans can be brought to faith! ***This is the final week for this mission project!**

SCRIP: The next Scrip order will be placed Monday, April 12th. Please have your order in the Scrip box in the office by 3:15, or you may place your order online.
