LOOKING AHEAD: Reminder, there is no school next Thursday and Friday, October 29th and 30th. Enjoy the long weekend!

PICTURE RE-TAKE DAY: Our picture re-take day is scheduled for Wednesday, November 4th. If you would like your child's picture re-taken, please send the original photo package back along with your child on re-take day. We will also be taking class group photos that day.

WEAR PINK THIS FRIDAY: October is "Breast Cancer Awareness Month." Many of our friends and family have been affected in some way by cancer. At St. Paul's, we want to share our support as "Prayer Warriors" for all those who are connected to breast cancer. Show your support by wearing pink this Friday!

FIRST QUARTER MISSION PROJECT – AFRICAN MEDICAL MISSION: This quarter's mission focus is to support the African Medical Mission. This mission serves as the supportive branch to the gospel mission by communicating Christ's love and by caring concern for the physical needs of our fellow man. The Lutheran Mission Rural Health Centre has been serving the people of Zambia since 1961 and The Lutheran Mobile Clinic the people of Malawi since 1970. These clinics provide preventative health care for children and expectant women as well as treatment of patients with illnesses such as malaria, HIV/AIDS, parasitic infections and tuberculosis. Together, the clinics in Zambia and Malawi serve over 80,000 patients a year. ***This is the last week for this mission project. Look for an update with our total next week. Thank you for your offerings!**
